Scholarship Application Privacy Information Consent Statement I am an Australian Permanent Resident/Citizen. I wish to apply for a scholarship/s and declare that the information I will provide will be correct and complete. I understand that Macquarie University reserves the right to vary or reverse any decision made on the basis of incorrect or incomplete information. I understand that in submitting this application, Macquarie University is collecting personal information from me, and that this is considered personal information for the purposes of the Privacy and Personal Information Protection Act 1998. I understand that the purpose for collecting the information is to enable my application to be considered, and that the intended recipients of this information are officers within Macquarie University, sponsors and any other body who may require the information for administration purposes, including agencies of the Federal Government. I understand that while the supply of information is voluntary, if I cannot provide or do not wish to provide the information sought, it may be impossible to process my application. I also consent to and authorise Macquarie University to collect, if necessary, personal information about me from the Universities Admissions Centre and/or other educational institutions to facilitate the processing of my application.

Doris Wallent Scholarships in Mathematics

Six scholarships are available to the most meritorious candidates. Preference will be given to female students. The value of each scholarship is \$1000 except in the case of a student proceeding to honours in Mathematics where the value of the scholarship is \$3000 for the period of candidature. One scholarship will be awarded for excellence in Mathematics in the Higher School Certificate examinations to a first year student enrolled in the units MATH132 and MATH133. Two scholarships will be awarded for excellence in 100-level Mathematics units to students who will be completing 12 credit points in Mathematics at 200 level in the year of award. Two scholarships will be awarded for excellence in Mathematics units at above 100 level to students who will be completing 15 credit points in Mathematics at 300 level in the year of award. One of these two scholarships will be awarded to a student enrolled in a program of study leading to the degree of BA DipEd or BSc DipEd. One scholarship shall be awarded for excellence in Mathematics units at 300 level to a student enrolled in the Mathematics honours program in the year of award.
